- A thoughtful process is planned in consultation with families, to assist in separating from their child;
- Educators are provided with clearly explained enrolment process; time to get to know families before children start; strategies to support families in introducing children to our service, time to develop close professional relationships with families; support from referral agencies; and information about custodial issues;
- Due consideration is given to culture and language in undertaking processes.

Goals

Enrolment and orientation procedures form the foundation for strong relationships between families and early education and care settings and promote a quality experience of education and care for children. Good procedures include consistent information around service operation and authorisations promoting compliance and a safe and secure environment for children and families.

Strategies

Enrolment

- Enrolling family members are responsible for informing the Director of custody and access arrangements on enrolment, and must advise the Director immediately of any subsequent alterations to these arrangements.
- All relevant legal documentation is to be shown to the Director and a copy will be maintained in the child's enrolment record.

Orientation

The orientation and settling in period will consider and respect the needs of both families and children. Parents/guardians will be encouraged to remain with their child when delivering or collecting them for as long a period as the parent/guardian and/or educators feel may be necessary to ensure the child's wellbeing. We will always consider the feelings and time constraints that families may have in regard to participating in orientation processes and aim to make the experience a positive and welcoming introduction to the service.

Our service will provide options for orientation to the education and care service for families which includes:

- Inviting new families to visit the service with their child at times that suit them, to familiarise families with the service prior to the child's attendance.
- Providing all new families with a conducted tour of the premises which will include introductions to other educators, children and families, and that highlights specific policies and procedures that families need to know about our service.
- Ensuring each family has a copy of the Family Handbook and an opportunity to have any questions answered.
